

ADVANCED TREATMENT CENTER

Advanced Rapid Detox & Ketamine Institute of Michigan

ADVANCED RAPID DETOX CHECKLIST

- A flat-rate, all-inclusive, upscale, 3-day opiate detox treatment center
- Award-Winning, Board Certified Anesthesiologist- Dr. Julia Aharonov
- Performing safe & effective IV Sedation Detox since 2007 for patients addicted/dependent to pain pills, heroin, Suboxone, Methadone, Tramadol, and Kratom
- All services are 100% confidential, your info is not entered into MAPS database
- We match the price of any other 'hotel/hospital' detox to give you safe, continuity of care
- Do not 'clean up' to come for treatment, we do not want patients in withdrawal
- Brand new, private rooms with wifi & flatscreen
- Personal, licensed, medical caregiver included
- Staff of 25+ compassionate professionals
- Catered meals are included
- Past patients available to speak with about their experience here
- Complete Physical, Psychological Exam, and lab work
- Chest x-ray (if needed)
- Stress Test if over 40 (additional \$300 charge)
- FDA Approved Vivitrol injection to eliminate cravings included
- IV Ketamine Therapy included (if appropriate)
- IV Sedation (not General Anesthesia)
- Recovery Counseling
- Long-Term Detox Related Aftercare
- Transportation to/from airport
- Financing available
- Veteran's discount
- Superbill available for reimbursement from insurance carrier
- A+ rated with Better Business Bureau
